2022 ~ ANNUAL FREE WINTER YOUTH CONSERVATION PROGRAM

The Zimmer Club youth program uses the great outdoors as a classroom to teach youngsters about outdoor activities, conservation, and embracing nature. Our program blends learning with recreation in the belief that this approach heightens the participant's environmental awareness. We introduce youngsters to activities that bring conservation topics to life such as environmental conservation, estuary systems, Blue and Greenbelt management, hunting, fishing (both salt and fresh-water), boating, first aid, camping, gun safety, archery, marksmanship, compass and map reading, and more.

ALL CLASSES ARE FREE TO GIRLS AND BOYS UNDER 18

(Classes are for ages 5 to 17 as stated. Children under 10 may participate; however, a parent or guardian must also attend.)

PRE-REGISTER ON-LINE OR ANY DAY OF EVENT - One registration is good for all classes

ALL CLASSES START AT 9:00AM @ THE CLUBHOUSE (except when indicated below)

Classes have age requirements and/or attendance requirement for participation, and snacks may be distributed on a class by class basis. At the conclusion of each class session, a knowledge assessment test will be administered which helps determine end of program awards. The tests results are factored into the accumulation of points awarded for: (a) Test Scores; (b) Class attendance; (c) Class participation; and (d) Marksmanship. Point accumulation exceptions: If a student attended a certification class, having an age requirement, their points score will be awarded for their prior attendance.

IMPORTANT:

1. See **Hunter Safety Class (HSC) announcement and required attendance information under INSTRUCTORS as HSC-G &/or B** .
2. All classes subject to change so please confirm on our website.
3. In addition, NYC and US CDC health guidelines will be observed without question.
