2023 - ANNUAL FREE WINTER YOUTH CONSERVATION PROGRAM

The Zimmer Club Youth Program uses the great outdoors as a classroom to teach youngsters about outdoor activities, conservation, and embracing nature. Our program blends learning with recreation in the belief that this approach heightens the participant's environmental awareness. We introduce youngsters to activities that bring conservation topics to life such as environmental conservation, estuary systems, Blue and Greenbelt management, hunting, fishing, boating, first aid, camping, gun safety, archery, marksmanship, along with other fun topics. Students attending the full program will be eligible for prizes and awards
